EXPO CAM

NEW DATES:

MAY 13-15, 2021 – The new show dates ensure ExpoCam will benefit from better weather conditions than an April time frame can provide. This makes way for outdoor exhibits and special events on site!

NEW LAYOUT:

Four ground-level exhibit halls surround an outdoor exhibit area. And everything is connected through clearly defined passageways, with each hall defined by a unique entrance and exit.

It all ensures a smooth flow of foot traffic, drawing attendees through the entire show, enticing them to stay longer and connect with more exhibitors.
