

HEALTH & SAFETY REQUIREMENTS:

Newcom Média Québec, producer of ExpoCam is *committed* to the health and safety of all exhibitors and their staff, and contractors participating in ExpoCam 2021. We require that all precautions and steps are taken to protect the health and ensure the safety of all persons involved in the production of ExpoCam 2021.

It is your responsibility, as an exhibitor at ExpoCam 2021, to contact anyone who is involved in the move-in/move-out, installation and tear down of your booth, including outside contractors and/or employees and notify them about the Health & Safety requirements and that these requirements are met.

No persons under the age of 18 shall be allowed on the show floor during move-in or move-out. **Steel toed shoes are recommended for the duration of move-in/move-out.**

***NO open toed shoes, sandals, shoes with heels or flip-flops will be allowed during these times. ***

For additional information regarding labour rights and obligations [click here](#) CNESST is the organization mandated by the Government of Quebec.

By attending ExpoCam, you agree to abide by the event's safety protocols that will be in alignment with government guidelines and public health regulations at the time of the show dates. Updates will be provided closer to show opening.
